

NSHOF is in need of boat owners/skippers to take high school students enrolled in Anne Arundel County School's STEM (Science, Technology, Engineering & Math) programs for short sails from NSHOF's docks during several days starting June 30 and going through the end of July.

We are also in need of people to help teach sailing (either volunteer, or we have a small number of paid positions).

Complete this [online form](#) to participate. //

For more info call NSHOF at 410-295-3022 or email us - education@nshof.org .
